Section I - Introduction to Summary of Benefits

Thank you for your interest in Humana Gold Plus H0108-030 (HMO). Our plan is offered by HUMANA HEALTH PLAN OF CALIFORNIA, INC., a Medicare Advantage Health Maintenance Organization (HMO) that contracts with the Federal government. This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Humana Gold Plus H0108-030 (HMO) and ask for the "Evidence of Coverage".

You Have Choices In Your Health Care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Humana Gold Plus H0108-030 (HMO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may join or leave a plan only at certain times. Please call Humana Gold Plus H0108-030 (HMO) at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

How Can I Compare My Options?

You can compare Humana Gold Plus H0108-030 (HMO) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

Where Is Humana Gold Plus H0108-030 (HMO) Available?

The service area for this plan includes: Orange County, CA. You must live in this area to join the plan.

Who Is Eligible To Join Humana Gold Plus H0108-030 (HMO)?

You can join Humana Gold Plus H0108-030 (HMO) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease are generally not eligible to enroll in Humana Gold Plus H0108-030 (HMO) unless they are members of our organization and have been since their dialysis began.

Can I Choose My Doctors?

Humana Gold Plus H0108-030 (HMO) has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time. You can ask for a current provider directory. For an updated list, visit us at www.humana.com/members/tools. Our customer service number is listed at the end of this introduction.

What Happens If I Go To A Doctor Who's Not In Your Network?

If you choose to go to a doctor outside of our network, you must pay for these services yourself. Neither the plan nor the Original Medicare Plan will pay for these services except in limited situations (for example, emergency care).

Does My Plan Cover Medicare Part B Or Part D Drugs?

Humana Gold Plus H0108-030 (HMO) does cover Medicare Part B prescription drugs. Humana Gold Plus H0108-030 (HMO) does NOT cover Medicare Part D prescription drugs.

Section I (continued)

What Are My Protections In This Plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Humana Gold Plus H0108-030 (HMO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

SECTION III - ABOUT YOUR PLAN

Humana Gold Plus H0108-030 (HMO)

This section further explains some of the benefits of your plan. To get a complete list of benefits, limitations, and exclusions, call Humana Gold Plus H0108-030 (HMO) and ask for the **"Evidence of Coverage."**

HOW TO USE YOUR PLAN

① Premium and Other Important Information

Maximum out-of-pocket limit

While most expenses apply to the maximum[s], the following don't:

- Your Optional Supplemental Benefit monthly premium(s) and services
- Routine vision services
- Routine dental services
- Over-the-counter drugs and supplies

If you qualify for Medicaid coverage through your state, be sure to show your Medicaid ID card in addition to your Humana Gold Plus H0108-030 (HMO) membership card to make your provider aware that you may have additional coverage.

② Doctor and Hospital Choice

Humana Gold Plus H0108-030 (HMO) has formed a network of doctors, specialists, and hospitals. You can only use providers who are part of our network for non-emergent care. The providers in our network can change at any time.

Choosing a doctor

As a member of Humana Gold Plus H0108-030 (HMO), you must select an in-network doctor to act as your primary care doctor. By selecting a primary care doctor from the network, you'll have someone who can focus on your needs and coordinate your care with other in-network providers when needed. This allows you to keep your out-of-pocket costs low and your medical expenses predictable.

Authorization Requirements

Your provider will need an authorization from Humana Gold Plus H0108-030 (HMO) before you receive certain services, except in an emergency or when care is urgently needed. The authorization process helps members receive appropriate and necessary Medicare-covered care and treatment. Providers in our network are aware of this process and will request the authorization. Without the authorization, your plan might not cover the services and you may have to pay the full cost.

INPATIENT CARE

③ Inpatient Hospital Care

④ Inpatient Mental Health Care

⑤ Skilled Nursing Facility (SNF)

Inpatient hospital, inpatient mental health care, and skilled nursing facility admissions require prior authorization from Humana Gold Plus H0108-030 (HMO) except for emergencies or urgently needed care.

Benefit periods don't apply to inpatient hospital care and inpatient mental health care. You pay the amounts shown in Section II each time you're admitted to a hospital, no matter how many days have passed since your last admission. If transferred to another inpatient facility - for example, to a long-term acute care center from an inpatient acute hospital - the day range will begin at one.

When admitted to a skilled nursing facility, you're covered for skilled care as defined by Original Medicare guidelines. No prior hospital stay is required. Your plan doesn't cover custodial care. Humana Gold Plus H0108-030 (HMO) follows Original Medicare guidelines in determining authorization for skilled nursing facility services.

OUTPATIENT CARE

You can receive outpatient services at different types of facilities. Usually, you pay only one copayment or coinsurance for each visit to an office or facility, no matter how many services you receive during the visit or the actual cost of those services. But if, for example, you receive care in your doctor's office and are then sent to another facility for additional services, you may have to pay an additional copayment or coinsurance.

13 Outpatient Services

Outpatient services included in this category are lab services, wound care, hyperbaric oxygen treatment, Coumadin clinic services, radiation therapy, chemotherapy drugs, occupational therapy, physical therapy, speech therapy, advanced imaging services (MRI, MRA, PET, CT Scan), nuclear medicine, basic radiology, diagnostic mammography, surgery services, and renal dialysis services.

For services received at a hospital facility as an outpatient, you pay:

- **20%** of the cost for renal dialysis
- **20%** of the cost for chemotherapy drugs
- **\$0** copayment for all other services in this benefit category

16 Urgently Needed Care

For each Medicare-covered urgently needed care visit, you pay:

- **\$0** copayment at your primary care doctor's office
- **\$0** copayment at a specialist's office
- **\$25** copayment at an immediate care facility

Remember to carry your Humana Gold Plus H0108-030 (HMO) ID card with you and show it to each provider before receiving services. If your Humana Gold Plus H0108-030 (HMO) plan ID card isn't available because of an emergency situation, you're still covered.

Out-of-area care - In most cases, if you're outside the Humana Gold Plus H0108-030 (HMO) service area and need medical care before returning, you should call your primary care doctor before using an out-of-network provider. If this isn't possible, contact your primary care doctor within 48 hours so your doctor can be involved in planning your follow-up care.

Complementary and Alternative Medicine

Complementary and alternative medicine (CAM) services include chiropractic, acupuncture, and massage. As a Humana member, you can get these services at a discount through the **Healthways WholeHealth Networks** (HWHN) of more than 35,000 practitioners.

Services include:

- **Acupuncture** - A trained professional uses very thin needles on different parts of the body. Needles are put just deep enough into the skin to keep them from falling out and are usually left in place for a few minutes. Acupuncture can be used to treat conditions such as pain, stomach problems, headaches, and more.
- **Massage** - A massage therapist uses hands and fingers to rub, press, and move your skin and muscles. A massage can relax and energize you and help heal muscles after an injury.
- **Chiropractic** - A chiropractor checks for problems in your spine and fixes them by using hands to adjust the spine, joints, and muscles.

How the discount works

You don't need a referral to visit a practitioner in the HWHN network. You may see HWHN providers as often as you like – but you should talk with your primary care doctor about any treatment you're thinking about getting. If you're already seeing CAM professionals who are not on the HWHN list, you can ask that they be added to the network.

To get your discount, simply show the provider the discount card, which can be printed from **Humana.com**, or show your Humana ID card.

For details about the program, access the CAM website from **Humana.com**. Once you log in to MyHumana, go to:
