H2944-013 (PFFS)
Section I - Introduction to Summary of Benefits

Thank you for your interest in Humana Gold Choice H2944-013 (PFFS). Our plan is offered by HUMANA INSURANCE COMPANY, a Medicare Advantage Private Fee-for-Service. This Summary of Benefits tells you some features of our plan. It doesn’t list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Humana Gold Choice H2944-013 (PFFS) and ask for the "Evidence of Coverage".

You Have Choices In Your Health Care
As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare plan. Another option is a Medicare Advantage Private Fee-for-Service plan, like Humana Gold Choice H2944-013 (PFFS). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare program.

You may join or leave a plan only at certain times. Please call Humana Gold Choice H2944-013 (PFFS) at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

How Can I Compare My Options?
You can compare Humana Gold Choice H2944-013 (PFFS) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

Where Is Humana Gold Choice H2944-013 (PFFS) Available?

Who Is Eligible To Join Humana Gold Choice H2944-013 (PFFS)?
You can join Humana Gold Choice H2944-013 (PFFS) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease are generally not eligible to enroll in Humana Gold Choice H2944-013 (PFFS) unless they are members of our organization and have been since their dialysis began.
Section I (continued)

Where Can I Get My Prescriptions If I Join This Plan?
Humana Gold Choice H2944-013 (PFFS) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at http://www.humana.com/Medicare/medicare_prescription_drugs. Our customer service number is listed at the end of this introduction.

Humana Gold Choice H2944-013 (PFFS) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower copayment or coinsurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

How Do I Get Medical Care That Is Covered By The Plan?
You can receive your care from any provider, such as a doctor or hospital, in the United States, if the provider is eligible to be paid by Medicare and agrees to accept our plan’s terms and conditions of payment before providing services to you. A provider can decide at every visit to accept our plan’s terms and conditions, and thus treat you.

Not all providers accept our plan’s terms and conditions of payment or agree to treat you. If a provider from whom you seek care decides not to accept our plan’s terms and conditions of payment or refuses to treat you, then you will need to find another provider that will accept our plan’s terms and conditions of payment. A provider that decides not to accept our plan’s terms and conditions of payment should not provide services to you, except in emergencies. If you need emergency care, it is covered whether a provider agrees to accept our plan’s payment terms or not.

Our plan has signed contracts with some providers. These providers are our network providers. We have network providers for the following types of service:

- Outpatient Diagnostic Procedures/Tests/Lab Services
- Durable Medical Equipment (DME)
- Diabetic Supplies and Services

You can still receive services from non-network providers who do not have a signed contract with us, as long as those providers agree to accept our plan’s terms and conditions of payment (as described above). However, you may pay more for seeing a provider who is not one of our network providers. For more information, please call the customer service number listed at the end of this introduction.

Does My Plan Cover Medicare Part B Or Part D Drugs?
Humana Gold Choice H2944-013 (PFFS) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.
Section I (continued)

What Is A Prescription Drug Formulary?
Humana Gold Choice H2944-013 (PFFS) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at http://www.humana.com/members/tools/prescription_tools/medicare_drug_list.asp.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician’s help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

How Can I Get Extra Help With My Prescription Drug Plan Costs Or Get Extra Help With Other Medicare Costs?
You may be able to get extra help to pay for your prescription drug premiums and costs as well as get help with other Medicare costs. To see if you qualify for getting extra help, call:

What Are My Protections In This Plan?
All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Humana Gold Choice H2944-013 (PFFS), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of Humana Gold Choice H2944-013 (PFFS), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

SECTION III - ABOUT YOUR PLAN
Humana Gold Choice H2944-013 (PFFS)
This section further explains some of the benefits of your plan. To get a complete list of benefits, limitations, and exclusions, call Humana Gold Choice H2944-013 (PFFS) and ask for the "Evidence of Coverage."

Access to services
Present your Humana Gold Choice (PFFS) ID card to providers before you receive services. As a PFFS member, you may use providers who don’t accept assignment from Original Medicare. These providers may charge you more for Medicare-covered services, up to the Medicare Limiting Charge, and you would be responsible for those excess charges.

HOW TO USE YOUR PLAN

① Premium and Other Important Information

Maximum out-of-pocket limit
While most expenses apply to the maximum[s], the following don’t:
- Your monthly plan premium
- Your Optional Supplemental Benefit monthly premium(s) and services
- Outpatient Part D prescription drugs
- Over-the-counter drugs and supplies
- Health expenses you incur during foreign travel

② Doctor and Hospital Choice

Primary care doctor or specialist copayment applies for office and clinic visits.

INPATIENT CARE

③ Inpatient Hospital Care

④ Inpatient Mental Health Care

⑤ Skilled Nursing Facility (SNF)

Prior authorization is not required. However, notification of hospital admissions is requested. This is one way we can let your doctor know about Humana programs that may be of assistance to you during this time.

Benefit periods don’t apply to inpatient hospital care and inpatient mental health care. You pay the amounts shown in Section II each time you’re admitted to a hospital, no matter how many days have passed since your last admission. If transferred to another inpatient facility - for example, to a long-term acute care center from an inpatient acute hospital - the day range will begin at one.

When admitted to a skilled nursing facility, you’re covered for skilled care as defined by Original Medicare guidelines. No prior hospital stay is required. Your plan doesn’t cover custodial care.

OUTPATIENT CARE

You can receive outpatient services at different types of facilities. Usually, you pay only one copayment or coinsurance for each visit to an office or facility, no matter how many services you receive during the visit or the actual cost of those services. But if, for example, you receive care in your doctor’s office and are then sent to another facility for additional services, you may have to pay an additional copayment or coinsurance.
8 Doctor Office Visits
You pay:
- $15 copayment at your primary care doctor’s office
- $35 copayment at a specialist’s office

You pay:
- $35 copayment at a specialist’s office
- 20% of the cost at a hospital facility for partial hospitalization

13 Outpatient Services/Surgery
For services received at a hospital facility as an outpatient, you pay:
- 20% of the cost for radiation therapy
- 20% of the cost for renal dialysis
- 20% of the cost for chemotherapy
- 25% of the cost for all other services

15 Emergency Care
Remember to carry your Humana Gold Choice (PFFS) plan ID card with you and to show it to each provider before receiving services. This will give the provider the opportunity to contact us for our payment terms and conditions. If your ID card is not available because of an emergency situation, you’re still covered.

NOTE: If you’re traveling outside the United States and Puerto Rico, your coverage is subject to a $250 annual deductible and 20% coinsurance. Coverage is limited to $25,000 each calendar year and up to 60 consecutive days of foreign travel.

Covered dental services are subject to conditions, limitations, exclusions, and maximums. Please see your Evidence of Coverage for details.

*Network dentists have agreed to provide services at contracted fees — the in-network fee schedules, or INFS. If you visit a dentist in the network, you won’t receive a bill for more than your share of the fee schedule. You may still be charged a copayment.

**Non-network dentists haven’t agreed to provide services at contracted fees. If you see an out-of-network dentist, your copayment may be higher. You may need to pay more because out-of-network dentists generally charge higher fees than network dentists do.
