# Section I - Introduction to Summary of Benefits

Thank you for your interest in Humana Gold Plus H4510-015 (HMO). Our plan is offered by HUMANA HEALTH PLAN OF TEXAS, INC., a Medicare Advantage Health Maintenance Organization (HMO). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Humana Gold Plus H4510-015 (HMO) and ask for the "Evidence of Coverage".

## **You Have Choices In Your Health Care**

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Humana Gold Plus H4510-015 (HMO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may join or leave a plan only at certain times. Please call Humana Gold Plus H4510-015 (HMO) at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

## **How Can I Compare My Options?**

You can compare Humana Gold Plus H4510-015 (HMO) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

## **Where Is Humana Gold Plus H4510-015 (HMO) Available?**

The service area for this plan includes: Atascosa, Bandera, Bexar, Comal, Guadalupe, Kendall, Medina, Wilson Counties, TX. You must live in one of these areas to join the plan.

## **Who Is Eligible To Join Humana Gold Plus H4510-015 (HMO)?**

You can join Humana Gold Plus H4510-015 (HMO) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease are generally not eligible to enroll in Humana Gold Plus H4510-015 (HMO) unless they are members of our organization and have been since their dialysis began.

## **Can I Choose My Doctors?**

Humana Gold Plus H4510-015 (HMO) has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time. You can ask for a current provider directory. For an updated list, visit us at [www.humana.com/members/tools](http://www.humana.com/members/tools). Our customer service number is listed at the end of this introduction.

## **What Happens If I Go To A Doctor Who's Not In Your Network?**

### **Where Can I Get My Prescriptions If I Join This Plan?**

Humana Gold Plus H4510-015 (HMO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at [http://www.humana.com/Medicare/medicare\\_prescription\\_drugs](http://www.humana.com/Medicare/medicare_prescription_drugs). Our customer service number is listed at the end of this introduction.

Humana Gold Plus H4510-015 (HMO) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower copayment or coinsurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

### **Does My Plan Cover Medicare Part B Or Part D Drugs?**

Humana Gold Plus H4510-015 (HMO) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

### **What Is A Prescription Drug Formulary?**

Humana Gold Plus H4510-015 (HMO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at [http://www.humana.com/members/tools/prescription\\_tools/medicare\\_drug\\_list.asp](http://www.humana.com/members/tools/prescription_tools/medicare_drug_list.asp).

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

### **How Can I Get Extra Help With My Prescription Drug Plan Costs Or Get Extra Help With Other Medicare Costs?**

### **What Are My Protections In This Plan?**

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Humana Gold Plus H4510-015 (HMO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously

put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of Humana Gold Plus H4510-015 (HMO), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. ## SECTION III - ABOUT YOUR PLAN

### Humana Gold Plus H4510-015 (HMO)

This section further explains some of the benefits of your plan. To get a complete list of benefits, limitations, and exclusions, call Humana Gold Plus H4510-015 (HMO) and ask for the **"Evidence of Coverage."**

## HOW TO USE YOUR PLAN

### ① Premium and Other Important Information

#### Maximum out-of-pocket limit

While most expenses apply to the maximum[s], the following don't:

- Your Optional Supplemental Benefit monthly premium(s) and services
- Outpatient Part D prescription drugs
- Routine vision services
- Over-the-counter drugs and supplies

### ② Doctor and Hospital Choice

Humana Gold Plus H4510-015 (HMO) has formed a network of doctors, specialists, and hospitals. You can only use providers who are part of our network. The providers in our network can change at any time.

#### Authorization Requirements

Your provider will need an authorization from Humana Gold Plus H4510-015 (HMO) before you receive certain services, except in an emergency or when care is urgently needed. The authorization process helps members receive appropriate and necessary Medicare-covered care and treatment. Providers in our network are aware of this process and will request the authorization. Without the authorization, your plan might not cover the services and you may have to pay the full cost.

## INPATIENT CARE

### ③ Inpatient Hospital Care

### ④ Inpatient Mental Health Care

### ⑤ Skilled Nursing Facility (SNF)

Inpatient hospital, inpatient mental health care, and skilled nursing facility admissions require prior authorization from Humana Gold Plus H4510-015 (HMO) except for emergencies or urgently needed care.

Benefit periods don't apply to inpatient hospital care and inpatient mental health care. You pay the amounts shown in Section II each time you're admitted to a hospital, no matter how many days have passed since your last admission. If transferred to another inpatient facility - for example, to a long-term acute care center from an inpatient acute hospital - the day range will begin at one.

When admitted to a skilled nursing facility, you're covered for skilled care as defined by Original Medicare guidelines. No prior hospital stay is required. Your plan doesn't cover custodial care. Humana Gold Plus H4510-015 (HMO) follows Original Medicare guidelines in determining authorization for skilled nursing facility services.

# OUTPATIENT CARE

You can receive outpatient services at different types of facilities. Usually, you pay only one copayment or coinsurance for each visit to an office or facility, no matter how many services you receive during the visit or the actual cost of those services. But if, for example, you receive care in your doctor's office and are then sent to another facility for additional services, you may have to pay an additional copayment or coinsurance.

## ⑧ Doctor Office Visits

**Out-of-area care** - In most cases, if you're outside the Humana Gold Plus H4510-015 (HMO) service area and urgently need medical care, you should call your primary care doctor before using an out-of-network provider. If this isn't possible, contact your primary care doctor within 48 hours so your doctor can be involved in planning your follow-up care.

**In-area or after-hours care** - If you need immediate medical advice or care, you can call your primary care doctor's office anytime - 24 hours a day, seven days a week. If you call after normal business hours, listen to the recording for instructions.

\*Network dentists have agreed to provide services at contracted fees – the in-network fee schedules, or INFS. If you visit a dentist in the network, you won't receive a bill for more than your share of the fee schedule. You may still be charged a copayment.

\*\*Non-network dentists haven't agreed to provide services at contracted fees. If you see an out-of-network dentist, your copayment may be higher. You may need to pay more because out-of-network dentists generally charge higher fees than network dentists do.

## Complementary and Alternative Medicine

Complementary and alternative medicine (CAM) services include chiropractic care, acupuncture, and massage. As a Humana member, you can get these services at a discount through the **Healthways WholeHealth Network (HWHN)** of more than 35,000 practitioners.

Services include:

- **Acupuncture** - A trained professional inserts and rotates very thin needles at key points on the body to stimulate various organs and systems.
- **Massage** - Using scientific manual techniques, a massage therapist manipulates soft tissues of the body to normalize those tissues.
- **Chiropractic** - A chiropractor diagnoses spinal misalignments and corrects them by using hands to adjust the spine, joints, and muscles.

### How the discount works

You don't need a referral to visit a practitioner in the HWHN network. You may see HWHN providers as often as you like — but we encourage you to tell your primary care physician about any treatment you're considering. If you're already seeing a CAM professional who isn't on the HWHN list, you can nominate that individual online for network consideration.

To get your discount, simply show the provider the discount card, which can be printed from **Humana.com**, or show your Humana ID card.

### Contact information

For details about the program, access the CAM Website from **Humana.com**. Once you log in to *MyHumana*, go to:

- Health & Wellness
- Savings Center, then select "Alternative Medicine"
- Scroll down to the middle part of the screen and there is a link - select "Find an alternative medicine provider"

To find a provider in your area, visit the HWHN Website at [www.humana.wholehealthmd.com](http://www.humana.wholehealthmd.com) or call **1-866-430-8647**, Monday through Friday, 8:30 a.m. to 8 p.m. Eastern time.
