## 2012 Outline of Medicare Supplement Coverage

Outline of Medicare Supplement Insurance Plans — Basic Plan, High Deductible Plan and Basic Plan Rider Options

**Cover Page** 

The Wisconsin Insurance Commissioner has set standards for Medicare Supplement Insurance. This policy meets these standards. It, along with Medicare, may not cover all of your medical costs. You should review carefully all policy limitations. For an explanation of these standards and other important information, see the "Wisconsin Guide to Health Insurance for People with Medicare" included in this package. Do not buy this policy if you did not get this guide.

**Note:** You may purchase optional benefit riders for additional premium. With the Basic Plan, you may choose riders for Part A Deductible, Part B Copayment/Coinsurance, Part B Deductible, Medicare Part B Excess Charges, Foreign Travel Emergency, and Home Health Care.

#### **Premium Information**

We, Anthem Blue Cross and Blue Shield, can only raise your premium if we raise the premium for all policies like yours in this state. If you change age categories, your premium will increase to that rate at the beginning of the policy term following your birthday. Also, if your residence changes such that you move into a new rating area, your rates may be adjusted. Finally, if your coverage begins prior to age 65, you will remain in the same age category for the duration of your policy.

#### **Disclosures**

Use this outline to compare benefits and premiums among policies.

#### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Anthem Blue Cross and Blue Shield.

#### **Right to Return Policy**

If you find you are not satisfied with your policy, you may return it to our Administrative Office: PO Box 9063, Oxnard, CA 93031-9063. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.

#### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

#### **Notice**

This policy may not fully cover all of your medical costs.

## Guaranteed Renewable for Life — How You Can Renew Your Policy

Pay your premiums by the due date, or within the 31 day grace period and your policy will automatically renew. We may change the premium rates only if we change them for all policies like this in your state. If your premium rates increase, we will give you at least 60 days notice.

## Our Guarantee for Changes in Medicare

If Medicare changes the fixed deductibles or co-payments as defined in the policy,

which you must pay, we will also change the benefits of this policy. In that way, you will be covered at all times for the Medicare deductibles and co-payments. Premiums may be changed to correspond with the increased benefits. If you have any questions concerning this policy, please write or call our Administrative Office. Our telephone number is 1-888-211-9815. Our address is PO Box 9063, Oxnard, CA 93031-9063.

#### **Grievance and Appeals**

If you have any dissatisfaction with the provision of services or our claim practices or administration, you have the right to file a written grievance. Your grievance must be in writing, and it should be identified as a grievance.

We will acknowledge receipt of your grievance within 5 days. Our Grievance Committee will conduct a complete review of your case. You will have an opportunity to appear before the committee to present written or oral information and ask questions. We will inform you of the time

Administrative Office: PO Box 9063, Oxnard, CA 93031-9063

and place of the committee meeting at least 7 days in advance. In general, the resolution of your grievance will occur within 30 days after receiving your grievance. However, we may extend this period by an additional 30 days. If an extension is required, we will notify you in writing prior to the expiration of the first 30-day period. You must complete this grievance process before you start any legal action against us or before requesting external review (except in limited circumstances explained in the policy).

#### **External Review**

If you are not satisfied with the decision of the Review Committee and your grievance qualifies, you may request an external review. A neutral third party then reviews your case and makes a decision. We will inform you if your grievance qualifies for external review.
