Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed $2,140. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy/certificate. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

Premium Information
We, United World, can only raise your premium if we raise the premium for all the policies like yours in the same geographic area of the state where you live.

Disclosures
Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully
This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy
If you find that you are not satisfied with your policy, you may return it to United World Life Insurance company, 3316 Farnam Street, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement
If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice
The policy may not fully cover all of your medical costs. Neither United World nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important
When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Renewability of Policy
We will renew your policy each time you send us the premium. It must be sent on or before the date it is due or during the 31 days that follow. Nonrenewal will not affect an existing claim.

Premium Change
Until you reach age 90, your premium will change each year. This change will only be made on the first renewal date that coincides with or follows each anniversary of the policy date. The new premium will be based upon your age at the time. Otherwise, your premium cannot be changed unless we make the same change on all policies of this form owned by persons in your classification which are renewed in the same geographic area of the state where you live at the time we change the premium. Any change can be made on any renewal date. Schedules of rates may vary depending upon your policy date.

Cancellation by You
You may cancel the policy at any time by giving us written notice. It will be effective when we receive notice or on a later date that you may specify. Upon cancellation or upon death, we will promptly return any unearned premium which will be based on a pro rata cancellation. Cancellation will not affect an existing claim.
